

**OFFICIAL MINUTES OF THE
SHARON TOWNSHIP BOARD OF TRUSTEES
WORK SESSION WITH STEVE MASICA
HELD AT THE SHARON TOWNSHIP ADMINISTRATION BUILDING
WEDNESDAY, JUNE 7, 2016**

Meeting opened at 5:30 pm. Sharon Trustees present were Mr. Lurtz, Mrs. Miller and Mr. Guccion. Fiscal Officer: Christine Lawson. Guests present: Steve Masica, Michelle Masica, Kevin Robinette, BJ, Nicole and Rob from Valley Café.

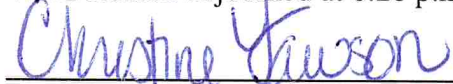

Mr. Masica stated the purpose of this work session is to discuss the development of business on the circle. The concern is the parking situation on the south side of the circle. Prospective tenants from Valley Café were present and voiced their concern that if they brought a restaurant to the circle, they did not think there was enough parking and inquired how we could make it safe for pedestrians to cross the circle if they parked elsewhere.

The Trustees agreed that there is a need for a restaurant in the circle and that they like the concept. However, Sharon Center has no jurisdiction over the crosswalks and there is not much we can do. Mrs. Miller said the township can talk to the state. The Board advised the potential tenants and Steve to reach out to the community businesses and get permission to park in their lots when they are not in use.

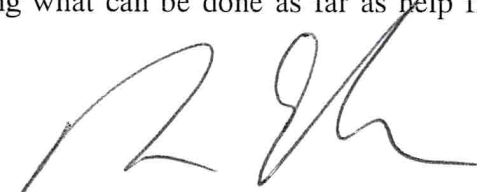

Kevin Robinette discussed parking and crosswalk plans he drew up for a visual.

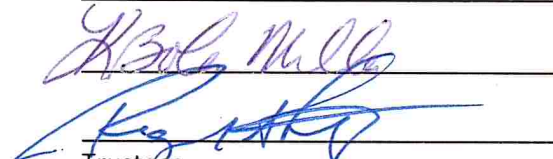

Mr. Lurtz said we will talk to the County regarding what can be done as far as help from the County.

Work session adjourned at 6:20 p.m.
